MEMORANDUM FOR: Acting Deputy Director for Administration
Deputy Director for National Foreign Assessment
Deputy Director for Operations
Deputy Director for Science and Technology
Chairman, Executive Career Service Board

FROM : F. W. M. Janney
Director of Personnel

SUBJECT : Uniform Promotion System

1. During the review of the policies and procedures applicable to the Uniform Promotion System, the practice in several Career Services of granting automatic promotions with the achievement of a particular stated goal or the completion of certain training was also reviewed. There are four programs now operating in the Agency with promotion benefits which would normally require panel evaluation and competitive selection.

2. These programs recognize specific qualifications and career development action over and above the normal progression of employees, and where selection is a factor in the process, utilize panels or boards for review and recommendation. The programs now in effect are approved as an exception to the policy for panel comparative evaluations for promotion ranking.

3. Any additional programs of this nature developed by components in the future require the approval of the Director of Personnel before implementation.

4. The identification of each approved program is attached to the copy of this memorandum for the concerned Career Service.
